TACL at a glance: 2017

Enhancing the life of Taiwanese Americans in the U.S.

TACL began as a small, local entity in California, but has grown over the past 32 years into a nationwide 501(c)3 organization working to achieve its mission: to enhance the quality of life of Taiwanese Americans.

In 2017, with this mission at the center, we articulated five key objectives:

- Promote recognition of Taiwanese American identity and heritage in broader U.S. culture
- Help Taiwanese Americans develop their own sense of identity and how it relates to Taiwan
- Foster meaningful relationships among Taiwanese Americans, from youth to adulthood
- Empower Taiwanese Americans to pursue their passions
- Advance Taiwanese Americans as prominent leaders and/or role models in all sectors

TACL is run entirely by volunteers. Together, the TACL National Board works in concert with the young professionals leading our TAP chapters, staffers of our youth camps (LYF and LID), and coordinators of our political internship program (PIP), to bring the above five objectives to fruition.
