

# TACL at a glance: 2019

*Enhancing the life of Taiwanese Americans in the U.S.*

Taiwanese American Citizens League (“TACL”) began as a small, local entity in California and has grown over the past 34 years into a nationwide 501(c)3 organization working to achieve its mission: to **enhance the quality of life of Taiwanese Americans**.

With our mission at the center, our organization has five key objectives we focus on:

TACL is **run entirely by volunteers**. Together, the TACL National Board works in concert with the young professionals leading our TAP chapters, staffers of our youth camps (LYF and LID), and coordinators of our political internship program (PIP), to bring the above five objectives to fruition.
